Newbuilding & Conversion – Schulte Marine Concept

From concept to delivery and beyond

Schulte Marine Concept (SMC) is the project focused business within Bernhard Schulte Shipmanagement (BSM), providing a comprehensive range of tailored technical consultancy and project management services as well as value-added solutions for newbuilding, conversion and retrofit projects, and technical support for fleet in service.

SMC's expertise in shipbuilding and BSM's experience in shipmanagement provides an integrated 'end-to-end' service from newbuilding through to vessel delivery and full management.

Headquartered in Shanghai, China, SMC operates through regional offices in Hong Kong and project-specific site offices spread throughout global key ship building markets.

Why SMC?

- World's largest supervision company with experience of over 450 vessels for more than 70 shipowners across all vessel segments in 60 shipyards around the world.
- Supported by highly skilled, experienced and multinational personnel well versed in the shipbuilding industry.
- Synergy with BSM which currently manages 600 ships across a wide range of commercial vessel sectors.
- ISO 9001:2008 Quality Management System for the provision of consultancy and project management services.
