

Health and Safety Policy

It is the Company's policy that all operations are executed at all times by trained and competent personnel in such a way as to ensure, the health, safety and welfare of all employees and persons involved are not affected by our operations.

We are committed to providing a safe and healthy working environment by delivering high quality professional services to our customers and taking proactive measures to ensure the safe execution of all work undertaken.

We require high standards of health and safety from our employees and suppliers and are committed to monitoring our achievements and delivering a continually improving service.

The prevention of all accidents involving personal injury or property damage is essential to our company culture and the professional operation of all our activities.
